19<sup>th</sup> February 2018

Dear Parents/Carers

As you will be aware, our long awaited Ofsted section 8 inspection finally arrived on Tuesday 6<sup>th</sup> February. It was well over 5 years since the previous inspection so we were all relieved to get the telephone call the previous day informing us that the inspector was on her way. Please find attached the letter we have received today informing us of the outcome of the inspection.

I am very pleased with the outcome of the inspection and all the positive comments within the letter, and it is reassuring that the 'next steps' outlined to move the school forward were those we had already identified ourselves as part of our school self-evaluation. It is reassuring that Drifffield Junior School has been recognised as the 'good' school it truly is and I'd like to thank each and every member of staff, plus the Governing Body, for helping to make the school a fantastic learning environment.

Thanks must also be extended to you, as parents, for your on-going support for your child's education and especially to those of you who took the time to complete the online questionnaire which helped form part of the overall judgement.

I am very proud to be the Headteacher at Drifffield Junior School, the school I was educated in myself as a child and where I did some of my teacher training. I truly want our school to be the best it can be, and you can be reassured that my wonderful team and I will continue to work hard to make further improvements in the future.

Many thanks,

*L.J. Laird*

Mrs L J Laird  
Headteacher
