

Driffield Junior School

Dear parents/carers

This July we celebrate our ten year anniversary of becoming a Fairtrade school.

To mark the occasion, we are going to run Fairtrade baking sessions after school during the summer term. We will freeze what is made and then have a sale of Fairtrade baking and goods towards the end of July. The proceeds of the sale, as always, will be sent to Namadidi School in Malawi.

We plan to do twelve sessions and they will take place on Tuesdays from 3.30pm to 4.30pm. The sessions will be open to year 3 and 4 children. To maximise the number of children who can take advantage of this opportunity, we will open the sessions to different children each week. We will ensure you know which session your child has been selected for in good time by either letter or text.

If you wish your child to take part, please complete and return the form below to the school office by Thursday 22nd March.

Yours sincerely
