

Driffield Junior School

Dear Parents/Carers

All year 4 children will be starting their swimming programme after Easter. A qualified instructor will give lessons at the Driffield Leisure Centre with class teachers in attendance. Children will walk from school to the Leisure Centre and there will be no admission charge. Please see letter overleaf from the Leisure Centre for more information.

Lessons will take place on Mondays and Wednesdays every week from Monday 9th April until Monday 14th May inclusive.

Children in 4S and 4G (group a) will need to be in school for 8.40am every swimming day. The children in 4G will be told which group they are in prior to the Easter holidays.

Swimming is an important part of the school curriculum and all children are expected to take part. Please make sure that your child brings their swimming kit on the appropriate days.

If you have any particular concerns regarding the swimming programme or require any further information, please do not hesitate to contact your child's class teacher.

Yours sincerely

Dear Parent/Guardian

After the Easter holidays your child/children will be starting their swimming lessons with us.

Each child will be given 10 lessons over a number of weeks. These lessons last 45 minutes and are instructed by fully qualified swimming teachers.

There will be a number of pool rules that all children must adhere to and it is important that children understand to get the most out of the lessons they must listen to the teachers.

Suitable swimming attire must be worn and we ask that all children with long hair wear swimming hats or have their hair tied back.

Verrucae socks should be worn if your child has a verrucae, this helps to reduce the spread of them.

Swimming hats and verrucae socks may be purchased at reception, £5.50 for a swimming hat and £7 for verrucae socks.

Some children may already have been in our lessons or may be currently with us. Please can you inform the school teachers of the Grade/Class your children have reached, as this will help us to speed up the grouping of the classes.

Swimming is a great life skill and we hope your child/children enjoy their time with us.

Yours sincerely
