

Driffield Junior School

Dear parents/carers

As the summer holiday is upon us, some children will be spending more time online. To help keep everyone 'up to date' with what apps and games are currently being used, please visit our online safety resource.

Following feedback, it is now a lot easier to access - all you need to do is follow this link:

<https://lms.nationalonlinesafety.com/school/driffield>

You will need to complete your details and select "I am a: Parent/Carer" from the dropdown.

You will be able to instantly access 50+ online platform guides on the latest social media channels and games. This aims to help empower parents with the knowledge to protect their children from potential online dangers and to keep them safe over the holiday.

If you have any questions, or trouble accessing the course please contact support@nationalonlinesafety.com.

Yours sincerely

Mr Tarrant
IT Co-ordinator
