

Parents - useful websites for maths

Maths

Times Tables / Basic Skills:

1. Live Mathletics
(log in and go on 'Live' mode to play against other children around the world)
2. Multiverse
(log in to Mathletics and find a times table game zone)
3. Hit The button
(quick fire game - google 'hit the button')
4. Top Marks
(Google 'Top Marks Maths Games' for lots of games on one site)

Which times tables does my child need to focus on? See below for a break-down:

	Year 6
Autumn 1	3, 6, 7, 9
Autumn 2	4, 8, 7, 9
Spring 1	6, 8, 11, 12
Spring 2	3, 6, 7, 9 (decimals) e.g. 7×0.3
Summer 1	4, 8, 7, 9 (decimals) e.g. 4×0.7
Summer 2	$\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$ of number e.g. $28 \times \frac{1}{4}$

Other areas of maths:

1. Mathletics
(children can access activities for the entire year 6 curriculum but please provide them with a pen and paper too).
2. Mathsframe
(Google 'mathsframe')
Username - djs
Password - driffield1
(hundreds of games for children to master the concepts they are working on in class)
3. Wild Maths
<https://wild.maths.org/>
(a website run by Cambridge University designed to inspire children to play with maths and find patterns and solutions)
