

# Driffield Junior School

Dear Parents/Carers

Year 5 pupils have a few visits coming up soon. Please see below for more details and dates.

## **Tesco visit**

To continue with our bread making in food technology, we have arranged for each year 5 class to visit Tesco to see how bread is made there.

The visits will take place during the normal school morning on the following days:

Tuesday 22<sup>nd</sup> January – 5W  
Wednesday 23<sup>rd</sup> January – 5B  
Tuesday 5<sup>th</sup> February – 5I  
Tuesday 12<sup>th</sup> February – 5By  
Thursday 14<sup>th</sup> February – 5N

## **Driffield Leisure Centre swimming**

As part of our science topic, year 5 children will be investigating water resistance.

Miss Westerby has arranged for each class to visit Driffield Swimming Pool in order to experience this force first hand. A number of activities have been planned which will involve the children moving themselves and objects through water in the most and least hydrodynamic shapes. All activities will take place in the learner pool and will be supervised by a life guard.

These visits will take place during the normal school afternoons of:

Monday 28<sup>th</sup> January - 5W, 5B and 5I  
Tuesday 29<sup>th</sup> January - 5N and 5By

The children will require their swimming costume and a towel. Long hair will need to be tied back. We will walk the children to and from the pool and will return before the end of the school day.

I am sure you will agree that this is an exciting and enjoyable way for the children to learn. The school PSA have kindly agreed to pay for this experience to take place.

Please make sure your child has a coat and appropriate footwear for walking on the days of their class visits.

If you have any queries regarding any of the above please talk to your child's class teacher.

Yours sincerely

Mrs J Broadbent  
Y5 co-ordinator
