Dear Parents and Carers,

Before Christmas you may recall us asking if any parents/carers were interested in joining our Governing Body.

Unfortunately we had no responses which is rather disappointing as it is so important that we have parental representation as well as that of staff and members of the wider community, in order that we can move the school forward collectively.

Being a parent Governor is an interesting role as you gain an appreciation of the way the school works but you are also there to ask questions and make suggestions from a parent's perspective; this is a great balance of support and challenge.

If you are interested in finding out more about the role and the level of commitment involved, I am very happy to arrange a time for a chat, either by telephone or face to face. Please contact the school to arrange a date and time.

Many thanks.

Yours truly,

L J Laird
