

To celebrate World Book Day we would like as many children as possible to get excited about books. In school we will be sharing lots of stories and books but we would like families at home to join in the fun.

## Big up a Book competition!

We would like children to share their favourite books with our school community in a fun and creative way, with lots of prizes up for grabs including **12 x £10 WH smith vouchers**.

Children could tell us about their book in just about anyway they like but, as we need to be able to share and display their work around school, we are asking children not to use digital media on this occasion. Below are some suggestions though there are lots of other things they could do too!

- Poster showing the different characters and their characteristics
- Picture of their favourite scene - it could be labelled or have a brief description explaining what is happening
- A model in a box replicating a scene or character
- Creating a new front cover for their book
- Create a bookmark with characters or favourite phrases
- Create a mini-book with their favourite parts of the book and drawings

Please could children bring in creations from Monday 28th February to Thursday 3rd March? Winners will be chosen on that Thursday and prizes will be awarded in celebration assembly the following day. Good luck!
