10th November 2023

Dear parent/carers,

For National Maths Week we want to make maths exciting and high profile in our school. We will be taking part in a friendly competition involving schools in England from Tuesday 14th November to Thursday 16th November. It's all done online via **play.ttrockstars.com**

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Arena, Garage, Studio, etc.) will count but only from games played between 7:30AM and 7:30PM on Tuesday 14th, Wednesday 15th, Thursday 16th. To support player wellbeing, there is a daily time limit of 60 minutes per player. Once the player goes beyond 60 minutes of play on a given day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans.

Here is a short but useful video if you would like more information about TTRockstars:
