23 May 2018

Dear Parent/Carer

The date for the Driffield School Year 6 Induction Day and Induction Evening has changed from Thursday 21 June 2018 to **Thursday 5 July 2018**, many apologies for any inconvenience caused.

Induction day enables pupils to visit their new school for the whole day. We ask that students arrive at the main reception in Ace Building by 8.40am, they will be escorted to the West Hall where they will find out their House and Class (this will not be sent out previously). During the day your child will be able to see the school in operation, familiarise themselves with the day to day routines, experience some lessons in their teaching group for the coming year, with the option to sample school dinners. A photograph of your child will be taken for our records. The day will finish at 3.30 pm.

The Induction Evening will start at 6.00 pm and you will have the opportunity to meet with members of staff from the House Teams. There will be stalls with information on buses, twilight bus services, school uniform and a Maths equipment shop (selling packs for £6). More information on this will be sent out at a later date.

We do hope that you will be able to take part in these events. Our aim is to help you find out as much as you can about the school and to answer any questions you may have about the transfer process.

Yours sincerely

Mr T Fisher  
Assistant Headteacher
